Cool Wayz

Cool Wayz encourages students who are just about to begin secondary school to make the right decisions when out and about.

This age group is starting to gain independence and planning longer unaccompanied journeys in unfamiliar surroundings.

Cool Wayz develops students' skills in selecting appropriate transport, planning safer routes, and understanding peer pressure, risks, decisions and consequences for their personal safety.

Cool Wayz covers PSHE/PSD/PSE & Citizenship subject areas.

BMW has a long established commitment to supporting education across the UK. The BMW Education Programme provides free, comprehensive curricular-linked and award-winning educational resources.
