

The Sun

I love the Sun it Shines on me.
It helps the Seed grow into a tree,
I love the Sun it gives us light.
Sun during the day and the moon at
night.

I love the Sun yellow and Zappy.
When it Shines it makes me feel happy.
I love the Sun it gives us heat
Sunglasses on and Sand in our feet.

I love the Sun it Shines on me
thank you God for the Sun, it's
free!.
