

What is ... the Sun?

**The sun is a splash of gold paint,
Flowing down a blank canvas.**

**It is a yellow bottle cap,
Being screwed onto a tall bottle.**

**It is a bright yellow frizby,
Being thrown high in the sky.**

**It is a small, golden buttercup,
Peeping round the soft blades of
grass.**

**It is the mane of a proud lion,
Standing silently on a huge rock.**
